LORTS TO SHOW IN NEW ATLANTA SHOWROOM Jordan Spencer Showroom to Open in ADAC

ATLANTA, Ga. – Jordan Spencer, an interior design trade showroom located in Las Vegas, will open a second location in the Atlanta Decorative Arts Center (ADAC). The opening is scheduled for late February. The showroom will feature product from Lorts Manufacturing, a wood furniture manufacturer specializing in customization in finishing.

Both Jordan Spencer and Lorts Manufacturing are owned by Ty and Michelle Lorts. "ADAC was the best possible place for us to open our next showroom," said Mr. Lorts. "We have a tremendous following in the interior design community in Atlanta and the southeastern U.S. in general. This gives us a chance to focus on building relationships more directly with the designers who love Lorts and help reach those who have yet to find out who we are."

ADAC veteran George Xillas will be joining Jordan Spencer as its showroom manager. Mr. Xillas says, "I am very excited and fortunate to be moving forward with Lorts, as they have the right product, at the right price, at the right time. The fact that Ty and Michelle Lorts, local Account Manager Suzy Stutts, and the rest of the Lorts family are wonderful people is icing on the cake."

"We are very pleased to welcome the Jordan Spencer Showroom to ADAC.," said Anita Best, General Manager at ADAC. "Their unique and versatile collection of fine products will provide interior designers a wealth of custom options for almost any style or scope of project."

The new showroom occupies 5,344 square feet on the third floor of ADAC and is certain to become a must-see destination at the Center.
